Spotlight on what KIDS CAN DO

What were your initial concerns that brought your child to Kids Can Do?

What services has your child received? (PT, OT or Speech)

What kind of progress has your child made since beginning therapy? What is he/she able to do now that was difficult before? How have these improvements changed his/her or your life?

Please share any additional comments about your experience at Kids Can Do, including your experience with your child's therapist or other staff.
