

## **Sensory-Based Pragmatic Group**

Spring 2010

Thanks for showing interest in our therapy groups! Group therapy is a fun and successful way to target language skills in a social setting and to compliment individual treatment. Our sensory-based pragmatic group utilizes sensory strategies to enhance social interaction. Group will be lead by a speech and occupational therapist. Each child is required to be evaluated by both disciplines before beginning group, unless a recent evaluation can be provided. Enrollment is accepted on a first-come, first-serve basis. Please consult your therapist to determine if this group placement is appropriate for your child. Please direct any questions to a speech or occupational therapist or the front desk. We look forward to your participation!

### **Group Information:**

This group may be appropriate for children that have difficulty with motor planning skills, difficulty devising new ideas for play, have poor body awareness, or seek excessive movement. Each group's goals are determined based on the individual needs of each child in the group. The following objectives may be targeted in the group setting:

- Initiating interactions and communication with peers
- Improving engagement in social settings
- Initiating and maintaining eye contact
- Identifying and responding to emotions
- Turn-taking during conversations
- Listening and following directions in a group setting
- Sequencing and organization
- Improving problem solving skills
- Improving ability to analyze and repair communication

### **Scheduling and Fees:**

- Social Groups meet once a week for 10 weeks.
- Each session is 50 minutes in length.
- The groups will begin the week of March 22<sup>nd</sup> and will end the week of May 24<sup>th</sup>. The week of May 31<sup>st</sup> will be a make-up week should a therapist need to cancel a session.
- Registration is due by March 8<sup>th</sup>.
- The cost of the group program is \$800 billed to insurance at the end of the 10 week session. Please consult your insurance company to determine if group therapy is covered (code 97150 and 92508), since it is often not a covered service.
- An administrative discounted rate of \$600 is offered to families paying ***in full in advance*** and assuming responsibility for insurance reimbursement. The full amount will be charged even if every session is not attended.
- Groups may be cancelled due to low enrollment.

**Method of Payment:** *(Please check one)*

I  like to take advantage of the administrative discounted rate (\$600) to families who pay in advance. Insurance billing is the responsibility of the legal guardian. Payment is accepted in cash, check, or credit card and is due at the time of registration.

I  like Kids Can Do, Inc. to bill my insurance at the rate of \$800. Payment is ultimately the responsibility of the legal guardian.
